Detailed Action

***Reasons for allowance***

1. The following is an examiner's statement of reasons for allowance: With respect to claim 35:

The limitation found in claim 35 of a liquid dispenser having a resilient, enclosed container enclosed but having at one end of the container a neck open at a container outlet opening (disposed coaxially), a cap outlet opening wherein the side wall of the cap being disposed about an axis and the cap is received on the neck with the neck extending into the cap, wherein a passageway is defined between the neck and the side wall of the cap, and an impeller is disposed in the cap above the end wall of the cap and is at least partially below the container outlet opening journalled for rotation about the axis in combination with the other claimed limitations were not found or taught by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
